Setting up the campfire dinner in 2021

Meals:

We will have a variety of meals including cereal for breakfast, sandwiches for lunch, and cooking several meals on the fire for dinner.

Activities:

So many to choose from! This will be a fun, relaxing week but still with plenty of stuff to do focusing on time away from screens in the form of glamorous camping. While at Camp Tecumseh, there will be plenty of active games to play ranging from frisbee throwing, spikeball, kanjam, disc golf, cornhole, and several more. There also will be plenty of time for less active games such as card playing, story telling, and just hanging out together. At times, we will be able to explore the Camp Tecumseh summer camp site which will include possible activities such as an 18 hole disc golf course, pickleball courts, boating on Deer Lake, and swimming with camp trained lifeguards. Exact activities will be TBD depending on staff availability and weather.

Special Monday Trip:

On Monday morning, we will be up bright and early to pack up camp and take a bus trip to [Kittatinny Adventures](#) to run a rafting trip for several hours down the Delaware River. This will be a mix of rafting, swimming, hanging out, etc. After finishing the trip, our bus will bring us back to Westfield after a long weekend!
